

COUNCIL POLICY

CURRENT

SUBJECT: REGULATION OF FIREWORKS DISPLAYS
POLICY NO.: 500-06
EFFECTIVE DATE: June 4, 1984

BACKGROUND:

From time to time, the City has received two types of complaints of noise resulting from commercial fireworks displays. One type of complaint relates to noise resulting from displays which include loud salutes or reports. The second type relates to how late in the evening the display was performed.

PURPOSE:

To establish a policy regulating the time of day that commercial fireworks displays may be held and to establish a policy on the amount and frequency of noise that may be generated by report or salute type of fireworks.

POLICY:

Fireworks displays will not be permitted after 10:00 p.m. on evenings prior to a workday or 11:00 p.m. on evenings prior to a weekend day or holiday.

No concussion type non-color shells (salutes or reports) greater than 3" shall be used.

Fireworks displays using salutes or reports permitted by this policy shall be limited to three events per 30-day period in each zip code area.

Variances to this policy may be issued by the City Manager or his designated representative.

HISTORY:

Adopted by Resolution R-260880 06/04/1984
